List of post-defense changes

- Chapter 9, Table 9.1: The acronym LS for the "Learning shapelet" method changed to LTS, in order to match the notation of Chapter 6.
- Page 101, added a clarification that the order of subscripting indices of the distance function of Chapter 6 ($D_{i,k,j}$) should not be confused with that of Chapter 5 ($D_{i,k,j}$), since they define different functions.
